Public Health
Delta & Menominee Counties

Application For A Deviation/Variance

Name of Applicant	Phone #	Facility Name (if applicable)	
Address		City	Zip Code

A deviation or variance of the requirements of applicable laws may be granted by Public Health, Delta & Menominee Counties, when all the following apply:

- compliance with the Code requirements would result in unnecessary or unreasonable hardship
- a health hazard or nuisance is not likely to occur
- no state, local statues, or other applicable laws are violated
- the protection of the health, safety, and general welfare of the public is assured

Description of the deviation/variance request: (Include a description of how the public health hazards and nuisances will be alternatively addressed.)
